

In light of the unprecedented situation we face as a community, and a nation, due to the COVID-19 viral pandemic, our office will be temporarily making changes. As a healthcare provider we feel it is our responsibility to be ahead of the curve to slow the spread of this disease, protect the wellbeing of patients and staff and the most vulnerable among us. Following the recommendations of the Ohio Dental Board, Governor's Office, CDC, and WHO to eliminate elective dental procedures, we will be seeing patients on an emergency basis only. Please **TEXT 937-890-7470** if you have any questions. We ask for your patient understanding as we go through such uncharted territory together. We hope that by doing all we can, this situation will resolve more quickly and save lives.
